ASSOC. PROF. DR. HAYDER JABBAR ABOOD AL-DABBAGH

Associate Professor Dr. Hayder Jabbar Abood Al-Dabbagh is a Post Doctoral Fellow at the School of Mathematical Sciences, Universiti Sains Malaysia. His appointment is from May 12, 2010 until November 11, 2010.

2. I hereby certify that Dr. Hayder Jabbar Abood Al-Dabbagh has been carrying out research work in the field of "Differential Equations " with my research group and we have submitted a number of papers .

3. Dr. Hayder Jabbar Abood shows deep interest in research and this reflects well in his aptitude and attitude towards his post-doctoral work. With that, I strongly recommend him for any future undertakings that he may apply. I am sure he will be asset to any organisation that gives him the opportunity to expand his excellent work in research.

Thank you.
